

## **COVID Exposure Guidance (7/19/20):**

Here is the current process for what to do if a student is exposed to Covid-19 either at work or elsewhere.

1. **Call Employee Health** to determine if a SIGNIFICANT exposure (basically, unmasked contact for more than 15 minutes within 6 feet)
  - a. IF **not** significant, then can remain at work and monitor for symptoms
  - b. IF **SIGNIFICANT: notify Clerkship Director** . Student will be asked to quarantine for 14 days (testing not offered/accepted by UPMC)
2. **STUDENT:** report to Clerkship Director and to Student Affairs. Can call Student Health for personal health questions or resources
3. **CLERKSHIP DIRECTOR (or elective course director):**
  - a. Discuss remote educational responsibilities to student during quarantine, including assessment and grade
  - b. Email tracking information to Dr. Raquel Buranosky, Asst Dean for Clinical Education: [buranoskyr@upmc.edu](mailto:buranoskyr@upmc.edu)

**RETURN TO WORK** when cleared both by Employee Health and UPSOM (Dr. Buranosky)

**QUESTIONS** to Dr. Buranosky or Dr. Peter Veldkamp ([VeldkampPeter@pitt.edu](mailto:VeldkampPeter@pitt.edu))
